

ELMARK[®]

The Brand of Electricity

SHUNT RELEASE MX

Functions:

- Remote circuit breaker switching off at voltage feed
- Allows manual switching on of the breaker at voltage recovery
- Indication of the device's location

Technical data:

- Rated voltage: 230V; 50/60Hz
- Isolating voltage: $\geq 2000V$
- IP code: IP>20

TECHNICAL SPECIFICATION

AUXILIARY DEVICES FOR CIRCUIT BREAKERS

ELMARK[®]
The Brand of Electricity

Connecting:

- Joining terminal: flat (tunnel) screw terminal
- Conductors: flexible up to 1.5mm²
- Tightening moment: 1.33Nm
- The power supply of the release is accomplished at the outlet of the breaker

Mounting:

- Vertical, clamps with two pins to the breaker's rivets and the executive mechanism is joined up to the switching mechanism of the breaker after dismounting the seal cover

Product details:

Type	Rated voltage	Type breaker	Packing/Box (pcs)	Catalogue number	Barcode
ELMARK MX 60	230V	C60	12 / 240	41902C	3800131236821
